Ladies Who Lattè!

The launch of the new Ladies Who Lattè group in Highworth on 26th February was a huge success. Up to a dozen ladies attended the networking event at Sally's Café.

Many of the ladies commented that the setting was very relaxed and that it was nice to chat about business in an informal way. Attendees included ladies who were just starting out in business, to those well established in and around the local area. And the range of businesses represented was quite diverse, from Biltong and Wreaths to Marketing.

This is a great group to meet with to help you grow your business, or to gain some motivation and new ideas from likeminded professional women. If you are considering starting your own business, then this is a perfect place to share your ideas and to receive helpful advice.

Jacqui Rawlings, the event organiser, is keen to grow this local group. So to all you ladies out there – tell your friends and bring them along to the coffee morning on fourth Tuesdays,

10am to noon. It's amazing how many great ideas come out of a chat over a coffee...

Highworth Physiotherapy celebrates five years on the High Street

In April 2008 Sonya and Steve Martin celebrate their fifth year of trading on the High Street. Business has grown steadily in this time and they now have seven physiotherapists to cope with the demand. Three physiotherapists also specialise in treating animals, although the horses and cows don't come to the clinic!

Sonya says: "We hope our window displays have brought amusement to you whilst shopping in the High Street, as well as helping you to understand what we do. In our shop we continue to sell physiotherapy related rehabilitation equipment such as leg and arm braces, wheat bags and joint supplements. We also sell locally made jewellery and musical boxes to add interest to our window display.

"Our thanks go to all our customers over the last 5 years, and to our fantastic staff for their great teamwork and help, to make our business a success. We look forward to our next 5 years of trading."

The times they are a changing...

Fancy popping into Brooks' in the High Street for a midweek supper? But they only serve breakfast, lunch and morning and afternoon teas, don't they? Not any more!

Brooks' have given their hours a face lift and they now open until 7.30pm on Wednesday, Thursday and Friday. On Monday and Tuesday they are open until 5pm.

You can now enjoy your favourite Brook's hot meals, such as Pasta Bake, Lamb Burgers, Chips and Salad, or Pie of the Day, for supper too. So come on, treat your family to a midweek treat now.

And there's even more... Opening hours on Sundays are now 9am to 12 noon. What are you waiting for? Grab your family for breakfast at Brooks'!
