

Vicarage Lane in library

The display by the Highworth Historical Society in the library during April and May will be featuring Vicarage Lane and its buildings. The society would very much like to hear from anyone who may have information (photographs, maps or any objects) which would add historical interest to the display. Please contact Jan Boddy, Tel: (01793) 762575 or Barbara Jones Tel: (01793) 763262.

Highworthian

We have a phantom correspondent, writing under the pen name "Highworthian". Unfortunately, we really haven't a clue who 'Highworthian' is. If Highworthian would kindly make himself or herself known to us, we would be able to publish their contribution. Sorry but we need to know who you are; that's our rule.

Musical fundraiser in aid of Breast Cancer Care

Enjoy an evening of music with the *Brewery Street Buskers* at the Rec on **Saturday 26 April** from 8pm. There will be a licensed bar. Tickets are £8 (includes ploughman's supper) available from Lesley (01793) 861379 or Alison (01793) 764998. All proceeds will go to Breast Cancer Care.

Coleshill Railway

Several people have asked us about the railway from Coleshill to Swindon train line mentioned by Eric Livall in our March edition. Actually the Swindon train terminated in Highworth. Gail Gibson (not born around these parts and far too young to remember anyway!) holds her hand up to this error.

1,200 bottles of water, 3,000 miles, 27 days, 9 states, 1 bike, 1 man

Highworth resident James Carrington is undertaking a gruelling challenge. He is cycling across North America to raise funds for the Prospect Hospice, which provides care for in-patients, day hospice and family support. The Prospect Hospice needs to raise over £3.6 million a year to provide this wonderful service.

James will need to ride an average of 120 miles a day. He will start by

dipping his wheels in the Pacific in California, riding across the Rockies and the American deserts into the Deep South and finally reaching the Atlantic in Georgia. The ride will start on the 19th of April. There is more information and you can support this amazing achievement at www.swindon-rc.co.uk and every penny pledged will go to the charity.
