## Palm Sunday witnesses

**This year's Walk of Witness in Highworth was a joyful celebration of the Palm Sunday story, held on Saturday March 15th.**

Starting at the Brewery Street Car Park, passing along Brewery Street, Swindon Street and the High Street it finished with an act of worship on the

Podium. Adults and children alike were waving banners, carrying palms and singing as they walked along the route led by the Reverend Samantha Rushton, Curate at St Michael's.

Rev Rushton said: "The Churches were very pleased with the response with well over 100 people, more than the usual number, participating with great enthusiasm on a busy Saturday morning. Passersby opened their car windows to listen to the music and we were very grateful for the help given by the Police."
