Friday 13th June – Mini saga competition

Friday 13th June is the closing date for entries in this competition to write a mini-saga. You can choose any subject but you must tell a story or describe an event in exactly fifty words. Hyphenated words may count as one or two words. You should write a title of not more than seven words.

There will be 3 categories: one for adults, one for children under 11 and one for children under 16. Entries on a post-card please. Put your name and address on the back, or your name, age and school.

Please address them to Mini-Saga competition and deliver them to: Hill House, 4 Shrivenham Road, Highworth (directly opposite Southfield School.) Hill House is the big detached house past the School House Court flats. Results will be announced at the end of June. First, second and third prizes will be awarded in each category.

Try to make a point in your story, saying something which will make the reader stop and think – or laugh.
