President Rod Davis of the Highworth and District Lions Club presented the Executive Committee Chair of the Highworth Recreation Centre, Mr Phil Baker, with a cheque for £1,000 on Thursday March 13th.

Mr Davis said: "The Highworth and District Lions Club is delighted to be able to honour the pledge made to the Swimming Pool Project when it was first proposed. The club is very happy to take its part in this wonderful community project which will benefit the people of this area for many years to come". Mr Baker replied: "This contribution from the Lions Club is most welcome. It reflects their genuine commitment to the community of Highworth and also the hard work that they have put into raising this money. Above all it is another example of the genuine community effort that has been the hallmark of
