John Trollope Sports Aid Fund

The small committee that runs the Fund met recently to consider seven applications from individuals and clubs. The fund has £2000 annually to distribute to approved applicants and will eventually spend all this money on a variety of sports / activities in the Town – there are still five applications in the 'pipeline'.

Three grants were made – two tennis players, Liam Mullins and Tara Mullins, were given awards to support their coaching costs whilst the Netball Club (see information in Link – May edition) were given over £1000 to enable their members to gain coaching and umpiring qualifications. Presentations will be made to the recipients in the now 'traditional' way - before a Full Council meeting.

Highworth Town girls win league final

CONGRATULATIONS to Highworth Town Girls Under-11 team who, in their first season together, beat Trowbridge in the League Cup Final 1-0 in a fantastic match on Sunday 4th May. Thanks to Vicky and Perry Hale who have respectively managed and coached the girls to this victory – a great achievement. Thanks to all the parents who have supported the team all season.

Pool update

Slowly the pool edges closer to opening. It is strange, on a project such as this, what excites me. Well this month it has been the completion of the tiling and the installation of trays hanging from the ceiling to carry the lighting and ventilation. Shortly the internal scaffolding will be taken down and the diving boards and the pool cover structure can be installed. Then the fun begins with the pool being filled yet again and the pool plant tested. Sadly it is still a case of watch this space for the opening date - it is coming!
